

**Best of the Best in Hospitality**  
2018 Ross-Chillicothe Pineapple Awards

The Ross Chillicothe Pineapple Awards recognizes the outstanding accomplishments of those who provide exceptional service in the tourism industry.

To nominate an individual or multiple individual you feel should be recognized, please complete one nomination form for each person that you would like to nominate and submit it to the Ross-Chillicothe Convention and Visitor’s Bureau by March 9, 2018. All nominations will be reviewed by an impartial panel of judges. In order to keep this process impartial, please do not include the nominee’s name or property name anywhere on the form except where requested. Nominees are judged solely on the description that is included with this nomination, so please be thorough.

**The specific examples should have taken place in the *past calendar year*, and show that the nominee goes *above the ordinary, daily job expectations*. Please be sure to read each individual question carefully and complete as many categories as possible.**

All nominees will be recognized, and the winners will be announced and receive their award during the 2018 Ross-Chillicothe Pineapple Award ceremony, May 7, 2018. We encourage all nominees to attend our tourism banquet.
