We appreciate your support. 100% of the proceeds from our annual Plant Sale help support the Survivor Support Fund, the Health Occupations Scholarship Fund, and our Children's Fund to buy toys and gifts for hospitalized and same day surgery children. In 2019, over 1500 children benefited from the Children's Fund.

When you hear the lullaby played at the hospital announcing the birth of a little one that was one of our projects as well as the New Year's first baby gift.
